Details for berthing - both harbours have a good and flat sand bottom

Expected date and time of arrival	
Expected date and time of departure	
If possible, would you prefer...	
a.	to lie afloat alongside in the new harbour (app 2ft water at low tide?)
b.	to lie afloat and take the bottom alongside in the old harbour?
c.	to lie afloat and take the bottom on the running moorings in the old harbour. [Best for most small craft]
d.	To dry sail: i.e. launch your boat each day for sailing only?
Can your boat dry out on a good sandy bottom?	
If yes, can she lie down or does she need a wall for support?	
If she lies down, what sort of angle will she take up?	
Does your hull/rig have any protuberances that might interfere with neighbouring craft? (e.g. chainplates]	
Length overall, including spars	
Draft	
Freeboard	

Please indicate if you are likely to require a campsite for a reasonable charge. (If yes, we will be in touch to confirm your requirements)	Yes/No
---	--------
